

ACCREDITATIONS

This course is sponsored by the Institute for Natural Resources (INR). INR is a non-profit, scientific organization dedicated to research and education in the fields of health and medicine. INR has no ties to any commercial organizations, does not solicit or receive any grants or gifts from any source, and has no connections with any religious, food, food supplement, or political entity.

Target Audience: Dental Professionals

Level of instruction: Intermediate

DENTAL PROFESSIONALS	Dental professionals licensed in 47 states and the District of Columbia will accept ADA-CERP providers and their courses for continuing education.
ADA CERP ® Continuing Education Recognition Program	INR is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. INR designates this activity for 2 hours of continuing education credits.
CALIFORNIA <i>EXPIRATION: 1/31/2026</i>	INR (Institute for Natural Resources), under Provider #2089, has been approved by the Dental Board of California as a provider of continuing dental education. This course meets the Dental Board of California's requirement for 2 units of continuing education. Completion of this course does not constitute authorization for the attendee to perform any services that he or she is not legally authorized to perform based on his or her license or permit type.
ILLINOIS	Under Sponsor #174-000128, the Illinois Dept of Prof Regulation has approved INR as a sponsor of continuing dental education.
NEW YORK	For New York-licensed dental professionals, continuing dental education courses offered by sponsors recognized by ADA CERP are considered acceptable for New York State Mandatory Continuing Education purposes. INR is an ADA CERP recognized provider.
OHIO	By policy, the Ohio State Board of Dentistry accepts ADA-CERP providers and their courses as long as they are in compliance with the Ohio Dental Practice Act.
WASHINGTON	The Dental Quality Assurance Commission (DQAC) of the State of Washington will accept continuing education courses by a provider approved by the ADA CERP.
